

**STP CONSTRUCTION LIMITED
SAFETY, HEALTH, ENVIRONMENTAL AND QUALITY
POLICY AND MANAGEMENT SYSTEM**

QUALITY POLICY STATEMENT

As a Building, Civil Engineering, Fit Out and Refurbishment contractor in the construction sector it is our objective of STP Construction Limited to create a company environment of excellence not only in materials and workmanship but also for our employees and persons affected by our works. We have devised the following policy to achieve these objectives:-

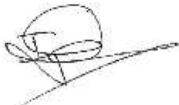

- We aim to deliver our service efficiently and effectively in compliance with the clients specifications
- We endeavour to meet our clients expectations in terms of quality of workmanship and materials
- Provide authoritative, independent and highly professional services that delight our clients and that fully satisfy their requirements
- Ensure all staff are trained and briefed about all the quality documentation so that they can implement the policies and procedures in their work
- Comply with all relevant legislation;

This will be achieved by;

- Maintaining and continually improving on a quality management system certified against BS EN ISO9001 and which also complies with the requirements of the appropriate international accreditation standards
- Setting and reviewing measurable quality objectives and ensuring those objectives are met
- Providing the necessary resources and ensuring responsibilities and authorities are determined and communicated throughout STP Construction Limited
- Reviewing the effectiveness of the quality management system and assessing opportunities for its continual improvement
- Ensuring everything we do is always carried out in accordance with stated methods and customers' requirements.

The Policy and associated documentation is made known to all employees and will be reviewed on a regular basis.
